

Camp Description

Multi Sport Kids Camp personnel are second to none. Our team has tons of experience and enthusiasm.

Tish Borden, Camp Director and Swim Instructor, has extended experience teaching swimming to children and has been the founder and director of the MSKC for the past 20 years. The camp only has room for 35 children, so be sure to sign up early!

The swim groups are small and well supervised and we always make some time for free swim too. There is a lifeguard on duty for free swim and our swim instructors are lifeguard certified.

Steve Summer, our pro on the tennis court, will be teaching the children all the skills they need to know to improve their tennis using the Quick Start method of teaching.

Our sports leader, will introduce & guide your children through *indoor soccer, basketball and lots of other games*. We have also added 2 yoga sessions during the camp week. The final day of every camp ends with an exciting Olympic competition.
